

BL PRO SS45 CH K

Indoor Surface Mount Aluminum Extrusion
Designed for use with BL PRO LED Series

BL PRO SS 45 CH K is ideal for surface corner mount LED lighting projects, with a unique curved lens optic. BL PRO LED Series fits nicely inside the extrusion, seated at a 45° angle, providing even beam distribution, and dot free illumination along the lens. The standard 8ft lengths are field cuttable, and easy to install with included surface mounting clips.

Solid State Lighting is sensitive to power fluctuations. Surge protection is highly recommended for all LED lighting products and should be on a dedicated circuit to protect against premature failure. Lack of surge protection may void your warranty.

Designed & Assembled in North America.

Specifications subject to change without notice. Please refer to our website at bllighting.com for current technical data.
