

## BL areaCIRCULAR

Circular DMX controlled LED Wall Washer  
18W, Line Voltage

## CR155

Printed

Please note that these instructions are guidelines only and in no way supersede any construction or installation standards.

Local building and electrical codes should be consulted before installation.

### ATTENTION

- There is potential danger of electrical shock when operating electrical components.
- Make sure power is turned off before installation.
- Allow for heat dissipation and adequate ventilation.

## SURFACE MOUNT

Mountable base with 180° Adjustable Bracket

1.

- A. Position **CR155** at desired location of install.  
B. Fasten mounting bracket with bolts through mounting holes.

2.

Loosen screws with Hex Key.

PROJECT

CLIENT

TYPE

Solid State Lighting is sensitive to power fluctuations  
Surge protection is highly recommended for all LED lighting products and should be on a designated circuit to protect against premature failure  
Lack of surge protection may void your warranty
