BL areaLINEAR LN8286

Linear LED Wall Washer 100-277VAC Line Voltage

BL areaLINEAR LN8286 is a high-performance, low-profile, linear LED facade light, perfect for wall washing and area flood effects, in addition to grazing, accenting, backlighting, and architectural highlighting. Each luminaire is durably constructed with an internal 100-277VAC power supply, anodized aluminum housing, and tempered glass lens, is rated IP65 for wet locations, and comes with two 180° adjustable mounting brackets. Static colors and DMX controllable RGBW are available in multiple beam angle options, perfect for creating dynamic illumination of landscapes, signage, monuments, multi-tiered structures, canopies and facades.
