

This unique square shaped, ultra-thin puck light, has a slim, low profile design that provides an elegant surface mounted lighting solution, ideal for undercabinet lighting. The acrylic lens beautifully diffuses the light, making BL puck SQUARE ideal for highlighting countertops and decorative objects. A low operating temperature, high CRI and dimming capability, makes BL puck SQUARE perfect for underneath kitchen cabinetry, niches, closets, and more. Trims are available in black, white, and silver finish.
