

P27 is a large-format, walkover-rated fiber optic end fixture designed for powerful yet refined lighting in architectural and landscape applications. Constructed from 316 stainless steel with a flat clear or frosted 1.97" tempered glass lens, it delivers a broad 70° beam ideal for wide-area illumination. Designed for recessed mounting, it accommodates fiber sizes from 0.08" to 0.31" and supports loads up to 1,125 lbs. Weighing 1.68 lbs, P27 offers rugged reliability and lasting performance. With an IP65 rating and an operating temperature range of 14°F to 113°F, it delivers reliable, durable performance in both indoor and outdoor environments.

14°F to 113°F (-10°C to 45°C)
