R4435
BL Fixform

Indoor Recessed Aluminium Channel
Designed for use with **BL Flexform** Series

BL LIGHTING
SINCE 1986

R4435 is perfect for creating luminous surfaces on walls and ceilings. The attractive and uniform trim, along with multi-directional track connectors, and spring clips, allow for easy installation, and a beautifully polished, professional, and flush finish. This stylish R4435 is compatible with all of our BL Flexform LED, allowing you to create homogeneous lines of light in the widest array of lumen packages.
