

R6214

BL Fixform

Indoor Recessed Aluminium Channel
Designed for use with **BL Flexform** Series

BL LIGHTING
SINCE 1986

R6214 is a recessed LED profile ideal for accent illumination in bathrooms, kitchens, passageways, hallways, corridors, entrances of offices and homes, etc. BL Flexform LED fits nicely inside the extrusion, providing even beam distribution and dot free illumination creating beautiful light with a professional, polished, recessed finish. This stylish R6214 is compatible with BL Flexform LED, allowing you to create homogeneous lines of light in the widest array of lumen packages.

Solid State Lighting is sensitive to power fluctuations. Surge protection is highly recommended for all LED lighting products and should be on a dedicated circuit to protect against premature failure. Lack of surge protection may void your warranty.

Designed & Assembled in North America.

Specifications subject to change without notice. Please refer to our website at bllighting.com for current technical data.
