

RN1007

BL Fixform

Indoor Recessed Aluminium Channel
Designed for use with **BL Flexform** Series

Truly a niche linear lighting solution, RN1007 with frosted lens optic and a slim width of just 9/32" (7.3mm) is a perfect fit into the tiniest of architectural details. Tailor-made for integration with BL Flexform N2 Narrow to deliver a strikingly luminous, dot-free, uniform line of light, and with a depth of less than 3/8" (9.3mm), is ideal for flush recess installations into any wooden surface such as millwork, furniture, shelving and displays.

Solid State Lighting is sensitive to power fluctuations. Surge protection is highly recommended for all LED lighting products and should be on a dedicated circuit to protect against premature failure. Lack of surge protection may void your warranty.

Designed & Assembled in North America.

Specifications subject to change without notice. Please refer to our website at bllighting.com for current technical data.
