

# S2221

BL Fixform

Indoor Surface Mount Aluminium Extrusion  
Designed for use with **BL Flexform** Series

S2221 has a rounded, or domed shaped, low profile optic, allowing for creation of virtually infinite lines of cohesive light, in a variety of lumen packages. The standard 6ft lengths are field cuttable, and easy to install with included surface mounting clips.

Solid State Lighting is sensitive to power fluctuations. Surge protection is highly recommended for all LED lighting products and should be on a dedicated circuit to protect against premature failure. Lack of surge protection may void your warranty.

Designed & Assembled in North America.

Specifications subject to change without notice. Please refer to our website at bllighting.com for current technical data.
